HAT PIN TAX PROPOSED AS SOURCE OF REVENUE

Suggestion Made for Benefit of Commissioners at Congress Heights Meeting.

The movement for universal transfers was indorsed by the Congress Heights ment wants a suggestion as to a source of

Secretary Julian Marceron and other members of the association made spirited addresses in favor of the universal of those interested in the project, to be merce tomorrow evening. It was brought out during the meeting

sirous of having the tracks of the Washington Railway and Electric Company extended through to the District line. Gen. Harries, vice president of the com that a single track would require an outlay of \$50,000. If this is done, it is understood, so it was stated, that the Firth-Stirling Steel Company at Giesboro point will arrange for a track to its plant. Thus, it is declared, the 500 employes of the steel works will take up their residence in the Congress Heights section

The Safest Investments

Are those that do not fluctuate during dis-turbed conditions of the money or stock market. First deed of trust notes (first mortgages), well secured on real estate in the District of Columbia, constitute "gilt edge" investments. They do not depend upon the financial responsibility of indi-viduals or corporations for their stability and are exempt from taxation as personal property. We can supply such investments in amounts from \$500 upward. Send for booklet. "Concerning Loans and Invest-ments."
